Among the big names will be Niko Pulić - European Hillclimb Champion, Andreas Aigner - PWRC World Champion with co-driver Ilka Minor - world champion in the co-driver category. This year, Beppo Harrach - Youtube star, owner of the Drift Company & Rally Team and winner of the RSSD for 4 years in a row - will also perform again.

Next weekend, next to the big names of motorsport, young speed enthusiasts will drive this competition to enter the great world of the motorsport queen. Among them is the premiere performance of young Lukas Dunner - third in the 2019 Euro Open Formula One and the most successful Austrian in his age group, which will be his first rally.

This three-day event kicks off on Friday, November 22, 2019, from 9:00 pm RSSD with a party in the catering tent in the Service Park on Savršćak gravel pits where competitors, organizers, and visitors will gather.

On Saturday, November 23, at 2:00 pm, the official shakedown driver training begins at the Savršćak gravel pits in the Samobor area. At 7:00 pm at Ante Starcevic Square in Sveta Nedelja, a selection of starting positions will follow and from 7:30 pm a ceremonial start as the official start of the competition. All participants of the rally will be presented along with the commemorative program. On Sunday, November 24, from 8:00 am at the start in Savršćak in the Samobor area, an adrenaline show awaits you, led by the best riders from all over Europe. During the day, there will be four speed exams (1 BI at 8:00, 2 BI at 10:00, 3 BI at 12:30 and 4 BI at 14:30), and at the very end at 5:00 pm closing ceremony and prize giving.
