RALLY SHOW SANTA DOMENICA

The initial philosophy of the organization is to adapt rally sport to our conditions, circumstances, and get closer to the spectators. RSSD is a competition with conventional time measuring, as well as evaluation of the longest jump.

The entire rally will be held of 4 special stages. A total length of stages is 36,82 km, while the length of max. 5 allowed Shakedown passes is 15,70 km.

All stages will be held on a good gravel surface.

Where?

Croatia, Zagreb surroundings.

Sveta Nedelja and Samobor (Savršćak).

In 2013, Croatia became a full member of the European Union.

THE BIGGEST RALLY SHOW IN CENTRAL EUROPE
